

Election Countdown: 22 days left!

October 13, 2008

Dedicated to Electing Conservation Leaders
SPECIAL EDITION: Western WI

The races are heating up & the mud is flying!

Thanks to [YOUR HELP](#), we've made over **6,000 phone calls**, which means we're halfway to our goal of reaching 12,000 undecided, conservation-minded voters!

With only 5 seats to a pro-conservation majority, we knew we'd have to work hard, **but now we've got to work even harder** because some of our pro-conservation candidates are being *attacked* by special interest groups.

We need your help NOW to set the record straight. We need your help contacting undecided voters because research shows that the most convincing kind of outreach is from a real, live person on the other end of the phone or at the door. **Time is short, and our pro-conservation candidates need your help to win!** [Please sign up to volunteer TODAY!](#)
