Election Countdown: 36 days left!

September 29, 2008

Dedicated to Electing Conservation Leaders
SPECIAL EDITION: Rhinelander, Eagle River, Minocqua

Game on!!! The big push to elect pro-conservation candidates to the state legislature starts NOW. The phone banks are filling up, yard signs are flying out the door, and we have the pizza delivery man on speed dial. [But we still need YOUR help!](#)

Here's a fun fact that might get you inspired... Wisconsin voters have a national reputation as drop-off voters. A 'drop-off voter' is one that goes to the effort of voting for President, but leaves the rest of their ballot blank!

Fact is, it's hard to choose between 2 candidates you know nothing about! [That's why volunteering with WI League of Conservation Voters is so important.](#) We're talking directly to THOSE undecided voters who care about natural resources and letting them know which legislative candidate will vote to protect air, land, and water.

With state races decided by *as little as 8 votes*, [YOUR HELP](#) can really make the difference. Look below, and find a night to try it out!

From the Campaign Trail...

Last week you met the candidates--this week is your chance to meet the staff that are leading the charge to elect pro-conservation candidates.

Kim Biedermann--Kim joined WLCV one year ago and worked with citizens and legislators in NE Wisconsin to pass important conservation legislation, like the Great Lakes Compact. Now, she's working to elect a long-time conservation leader, **Penny Bernard Schaber** in Appleton.

Laurel Millar--Laurel recently joined WLCV to lead the charge in electing **Paul Tubbs and Jim Holperin** in the Rhineland/Minocqua/Eagle River

area.

Heather Mullee--Heather recently joined WLCV to lead the charge in electing **Stan Gruszynski and**

Jim Holperin in the Niagara/Crivitz/Crandon area.

Tom Stolp--Tom joined WLCV in August and will lead the charge to elect **Fred Clark** in the Baraboo/Portage area and keep great conservation champions in Western WI, like **Reps. Ann Hrachuck and Jeff Smith**.

Kim, Laurel, Heather, and Tom are ready to put you to work! [Contact them today to find out how your time can make the biggest impact for air, water, and land.](#)
